PRODUCT DESCRIPTION

Packed Slip and Ball Type Expansion Joint & Insulation Blankets

Hydronic Radiant Ceiling Panels

Hydraulic Control Valve, Deluge, Foam, Hydrant, PreAction, Pressure Reducing, Pump, Level Control, and Relief Valves

Packaged Hot Water Systems, Condensate Handling, Domestic Water Booster Systems, Heat Transfer Packages, Steam Pressure Reducing Stations, Steam Trap Stations and Custom Packaged Solutions.

Coil Hook-up Kits, Automatic & Manual Balancing Valves & Hydronic Specialties

Pressure Gauges, Thermometers, Regulators and Control Valves

Turbine, Positive Displacement and Fire Meters Automatic Meter Reading Equipment, Detector Check Valves

Relief Valves & Drip Pan Elbows

Prefab Steam Pressure Reducing Stations, Modular Steam Trapping Stations, Steam Condensate Flash Arrestors & Water Make-Up Stations

Eccentric Plug Valves, Check Valves, AWWA Butterfly Valves & Accessories

Turbine Flow Meters, BTU Meters, Display Modules & Portable Metering Devices

Metering/Balancing Valve, Pitot Tubes, Venturi Valves & Flow Monitors

Flexible Connectors – Rubber, Stainless Steel & Heat Pump Hoses

Pressure and Temperature Regulators, Control Valves, Safety Relief Valves, Desuperheaters, Steam Separators and Filters & Noise Reduction

Y-Strainers, Basket Strainers, T-Strainers, Duplex Strainers

Steam Traps, Liquid Drain Traps, Condensate Recovery, Strainers, Clean Steam Filter Stations & Temperature Regulators

Condensate & Boiler Feed Units, Pumps, Temperature Control Valves Steam Traps & Radiator Valves

Flex Connectors, Expansion Joints, Flexible Metal Hose

Backflow Preventers, Double & Dual Check FM Relief Valves Thermostatic Mixing, Fire Sprinkler and Fire Hose Valves, T&P Relief Valves
